## About:

Designer Jen Eskridge has been quilting for 17 years and sewing for a bit longer. She is a military spouse to a fabulous guy currently Active Duty in the KS Air National Guard. While he was Active Duty United States Air Force, Jen had the opportunity to live in 5 different cities in 10 years, including living on an Army base in Daegu, South Korea.

Jen Eskridge graduated from Louisiana State University in 1998 with an Apparel Design degree, which she uses daily, while working on quilting and sewing patterns for her company, ReannaLily Designs. The company launched the Seamingly Accurate(r) Seam Guide in October of 2008. Since then, ReannaLily Designs has published many patterns, including the release of the first Recycled Uniform Pattern, The Cube Purse in October 2009.

ReannaLily Designs company has grown from 2 patterns and a trademark on a seam guide to 19 titles, numerous magazine contributions, contributing designer in *Countdown Calendars* (a book by C&T Publishing), a single-author book *Deploy That Fabric*, and there's much more on the horizon. The book, *Deploy That Fabric*, which releases in July 2011 through **C&T Publishing**, focuses on the military family and features 23 sewing projects using recycled military uniforms.

Look for Jen Eskridge and ReannaLily Designs at the Houston Quilt Market, Fall 2011.
